MINUTES

1. Review Minutes from May 9, 2022-Approved

2. President/CEO Items

a. COVID-19 Update

- i. Vice President Ibrahim Ali said we had the first instance of someone who tested positive for Covid-19 that was in contact with six individuals within six feet for more than fifteen minutes. Protocol was followed. No exposures this week. The college continues to have testing available. Some cases involve employees coming back from trainings. To keep everyone safe tests are available in Human Resources and the Police Department.
- ii. Heather Parnock said the Pandemic Coordinators made a recommendation at the Covid-19 meeting today to keep the mask mandate through summer and reassess by August 1st for the fall semester. The Pandemic Coordinators also recommend that masks are strongly encouraged at the commencement ceremony because the venue does not require masks. There will be masks there for participants who want one, but guests must bring their own. Cabinet reviewed “The New Normal” document and Heather is prioritizing the recommendations.
- iii. Holly Schumacher shared concerns from the Faculty Union Meeting. The Union is in favor of removing proof of the vaccine for students to register for in-person classes because of the difficulties that took too long to resolve. They want the vaccine mandate to be in place but not to be a part of the registration process. Faculty wants to continue to see proof of vaccination before attending in-person classes, students continue to receive incentive, mask requirement, and plexiglass to stay in place. Stephanie Leonor said that ASG has not had a conversation about the vaccine requirement because they are vaccinated. Holly Schumacher said faculty are curious about how students feel about being in class with unvaccinated students. Stephanie Leonor will discuss at tomorrow’s ASG meeting and Dr. Minodora Moldoveanu will

make sure vaccine requirement is on the agenda for the next Academic Senate meeting. Sheri Berger shared concern about having to cancel classes because of the issue of proving vaccination status before attending in-person classes. Many spring classes were changed from in-person to online to save enrollment because of the high numbers of students that did not upload vaccine requirement. Dr. Keith Curry said changes must go to the Board so nothing can be done until June 27th. Sheri Berger reached out to CIO's across the state and the Los Angeles District removed all restrictions for summer, including all vaccination, testing, and masking requirements. El Camino is not looking at a change; Long Beach, Cerritos, and Rio Hondo are not making changes for summer but discussing possible changes for fall. Dr. Curry said all constituent groups should bring feedback to next meeting.

- b. Campus Mural Projects
 - i. Conversations still taking place so we will bring this back to the next meeting.

3. Draft of Student Climate Survey

- a. Dr. Lauren Sosenko said there was a recommendation to bring back our school climate survey, the last one was done in 2018. The survey is intended to be a resource of the climate across the campus and will go out in fall.
- b. Mx. Hawk McFadzen shared a screen to show draft of survey. The draft will be sent to all in meeting. This is the first step and is very preliminary to a very multistep process. Ibrahim Ali recommended incorporating process into some questions, for example asking if students know where to go when they experience something in the survey. Ibrahim Ali also concerned about answers breaching confidentiality. Chief Marcus Thompson recommended to add if it was handled properly and agreed with Ibrahim Ali that some things may be mandated to report and will need to be investigated if they are of a criminal nature. Dr. Lauren Sosenko said the length of the survey will be reviewed.

4. 2022 Compton College Commencement Ceremony

- a. Heather received final list of verified eligible spring graduates. Commencement program will include graduates from 2020, 2021, and 2022. Main priorities are keynote speaker and communications with the graduates. Two grad info sessions were well attended by past and current graduates. Heather is keeping commencement webpage current. Miguel Ramos, has been selected as the student speaker. Campus Police will participate as the Color Guard.
- b. Only 2020 and 2021 graduates need to RSVP and were informed by a mailing on May 6th. Current 2022 graduates do not need to RSVP. The link did break but has been fixed. The question on the Admissions and Records petition to graduate about attending graduation ceremony is not used when planning ceremony. Dr. Keith Curry recommends removing the question from the graduation petition and having an FAQ to answer the question on the graduation petition. Stephanie Leonor said that the certificate application also has the question about participating in the graduation ceremony. Nicole Jones will have conversation with Richette Bell and will share the form with the Commencement Committee and Dr. Cesar Jimenez.

5. 2022 Year-End Activities

- a. Nicole Jones will send updated list to all in this meeting.

6. Compton College Campaign Against Racism – Next Steps

- a. Dr. Curry wanted to give a reminder to all in this meeting and will discuss it further at next week's meeting.

7. May 16, 2022 Compton CCD Board Agenda Review

- a. Dr. Minodora Moldoveanu and Amankwa McKinzie will attend via Zoom.

8. Other Items

- a. Amankwa McKinzie thanked Dr. Curry and administration for having the Custodial and Skilled Trades Conference to be held on campus. Would like to have more events like this on

campus in the future.

9. Future Agenda Items

- a. The New Normal
- b. 2022-2023 Compton College Goals
- c. Facilities Update

**The next Consultative Council meeting is scheduled for
Monday, May 23, 2022, at 2:00 p.m. via Zoom Meeting**
