Note: Title 5 changes prompted the updates to the BP and AR above. Curriculum Chair and Susan Johnson met during the Summer to revise them, and these are the documents with track changes made during that meeting.

6. Discussion Items:

- a) The new Inclusion, Diversity, Equity, and Accessibility (IDEA) field is now available for faculty on CORs in CNET. Thank you to every person involved that helped make this happen—this is a wonderful achievement for our college. (5 minutes)
- b) Potentially create a new IDEA College Curriculum Committee voting representative position. If so, we will need to revise our handbook. (5 minutes)

7. Information Items: (15 minutes)

- a) Welcome new College Curriculum Committee members: Mayela Rodriguez (FACH), Kendahl Radcliffe (SS), and Andree Valdry (Librarian).
- b) The noncredit HSED courses will be made into five Certificates of Completion and the Curriculum Chair has met with key faculty: Juan Tavarez has launched HSED in Spanish and David McPatchell has launched HSED in Social Sciences. Dr. Don Roach informed me that Abigail Tatlilioglu will be designing HSED in Math and Katherine Marsh will be designing HSED in Science. Curriculum Committee Chair is waiting to hear back from Dr. Blonshine regarding which faculty will be volunteering to design HSED in English.
- c) ESTU 150 and PSYC 110 were approved to be cross-listed in the COR. However, the language was not included in the course description. Nathan Lopez and Jasmine Phillips were contacted via email and approved the following language example to be added to the courses on the backend: “*Note: ESTU 150 is the same course as PSYC 110*”.
- d) Curriculum Chair met with Jared Gordon on 9-6-23 to launch FILM 130 to add area 7. (Area 7 will be replaced with ESTU)
- e) Curriculum Committee Chair and AS President met with CSI faculty regarding the AI and Game Design programs.
- f) Spoke with Dr. Kent Schwitkis to inactivate Physics 150 due to the new Physics - 101, 102, and 103 sequence beginning to be offered this semester, starting with Physics - 101. Students will have catalog rights for the old sequence when the, recently approved on 5-23-23, Physics AS-T with the new sequence is implemented.
- g) Updated *Course Review Schedule* is public facing on our College Curriculum Committee webpage and the link is below. Curriculum Chair sent the information to all division chairs and deans over the Summer and met with them on 9-6-23 to review the document. Our college’s accreditation site visit is next semester and it is essential that past due courses and courses for review this semester are brought current.
