Increase in Degrees/Certificates

All Students:

Many individual students are earning more than one award. However, when we isolate Black or African American students, we see an increase in the unique number of students earning a degree or certificate.

93 (2019-2020) → 102 (2020-2021) → 118 (2021-2022)

FACILITIES UPDATE

Current Construction Projects

Instructional Building 2: The \$25.6 million project involves the removal of Row Building D, and the remainder of Row E and F buildings, and construction of a second state-of-the-art instructional building on campus.
Estimated Completion: late Fall 2023

Future Construction Projects

Compton College Visual and Performing Arts Complex: This \$16 million project includes a new facility to support music, dance, performing arts, film and video programs. Strategic placement of this new facility, adjacent to the renovated Little Theater, provides space for an outdoor courtyard. Estimated completion: Winter 2026

Future Construction Projects

Compton College Physical Education Complex: This \$45.6 million project includes the demolition of the current gymnasium, men's shower/locker, classroom V, pool service, pool, and women's shower/locker buildings; and the construction of a new gymnasium, men's and women's locker room, faculty office space, and physical education support space. Estimated completion: Spring 2026
