Subject: President/CEO Message - January 20, 2023

Sent on behalf of Dr. Curry, President/CEO

Campus Community,

I know many of you are waiting on the announcement of the move-in date for the Student Services Building. Although Chief Facilities Officer Linda Owens and Vice President of Administrative Services Dr. Abdul Nasser provide me with weekly updates on the progress of the project, I cannot give a move-in date until next week. As I mentioned to Nicole Jones, Vice President of Student Services, I need everyone packed and ready to move so that when we have a confirmed move-in date, we are ready to go. Thank you to everyone for your patience with the new Student Services Building move.

Today's President/CEO Message – January 20, 2023, includes COVID-19 information and other campus-related updates.

To allow the team adequate preparation for the visit, the Institutional Self-Evaluation Report must be submitted no later than **August 1, 2023**. In order to kick off the college's review process, the Team Chair will contact us to schedule a virtual meet and greet session between the team and college personnel, as well as an open forum before the Team ISER Review scheduled for **October 18, 2023**.
