COMMUNITY UPDATE

2024 MEASURE CC

The Compton Community College District is committed to serving the community, ensuring students have access to the skills they need for well-paying jobs or successful transfer to four-year institutions. A thorough assessment of the educational facility needs of Compton College revealed that modern and secure facilities, along with technologically advanced classrooms, are essential.

Measure CC – a \$200 million facilities bond – will be on the upcoming November 5 ballot. Designed to fund critical building improvements and replacements, safety additions, and classroom technology upgrades at Compton College, bond funds will also support energy-efficient enhancements, saving costs and reducing energy consumption. For property owners, the annual cost of Measure CC will be \$20 per \$100,000 of assessed property value (not market value) while bonds are outstanding.

Compton College is a valuable community resource, providing essential job training and workforce preparation to students of all ages who have the opportunity to earn college credits, certifications, and valuable job skills at an affordable price.

To learn more about Measure CC and Compton College's impact on the community, visit the 2024 Measure CC webpage: www.compton.edu.

Measure CC will cost property owners \$20/year per \$100,000 assessed – NOT MARKET – property value while bonds are outstanding.

Measure CC

FISCAL ACCOUNTABILITY

Measure CC is subject to stringent financial accountability requirements:

- Money from any proposed bond may only be spent on buildings, classrooms, or instructional equipment.
- By law, performance and financial audits must be performed annually.
- All bond expenditures will be monitored by an independent Citizens' Bond Oversight Committee to ensure funds are spent as authorized by voters.
- All funds will be subject to local control.
- No funds can be used for employee salaries or pensions.
- Sacramento is prohibited from taking any of the funds.

EXCERPTS FROM THE OFFICIAL NOVEMBER 5, 2024 BALLOT
