Step 3: Click on Your Profile and select Sign Up

Next, click on **Your Profile** at the top of the page.

The screenshot shows the library website interface. At the top, there is a search bar with the text "Search 48,582 titles and 336,817 segments" and a search icon. To the right of the search bar is a "Your Profile" link with a user icon. A green arrow points to this link. Below the search bar, there is a navigation bar with "Home > Health & Medicine". The main content area displays "Health & Medicine" with "5,775 Results" and a dropdown menu for "Health & Medicine". Below this, there is a video preview for "Truth About Getting Fit at Home (FULL VIDEO) | HD". On the right side, a login window is open. It contains the Compton College logo, a message "You are currently signed in to your district account.", and a prompt to "Log in or create a personal account to customize playlists, save favorites, and take advantage of other features." Below the prompt are input fields for "Username" and "Password". A red "Log In" button is present. At the bottom of the login window, there is a link "Having trouble logging in?" and a button "New user? Sign up." which is highlighted with a green box.

At the bottom of the log-in window, select **Sign Up** and follow the instructions to create your free individual account.

Step 4: (Optional) Customize Account Settings

1. Once logged-in to your individual account, click on your profile icon and select **Account Settings** from the list.

The screenshot shows the top navigation bar of the Infobase Films on Demand website. The user is logged in as 'Hi, Lynn'. A search bar contains the text 'Search 48,582 titles and 336,817 segments'. Below the search bar, a dropdown menu is open, listing options: 'My Content', 'Courses', 'Profile', 'Account Settings' (highlighted with a green box), and 'Dark Theme' (set to OFF). A red 'Log Out' button is at the bottom of the menu. The main content area shows a 'Health & Medicine' search result with 5,775 results and a 'Feedback' button on the left.

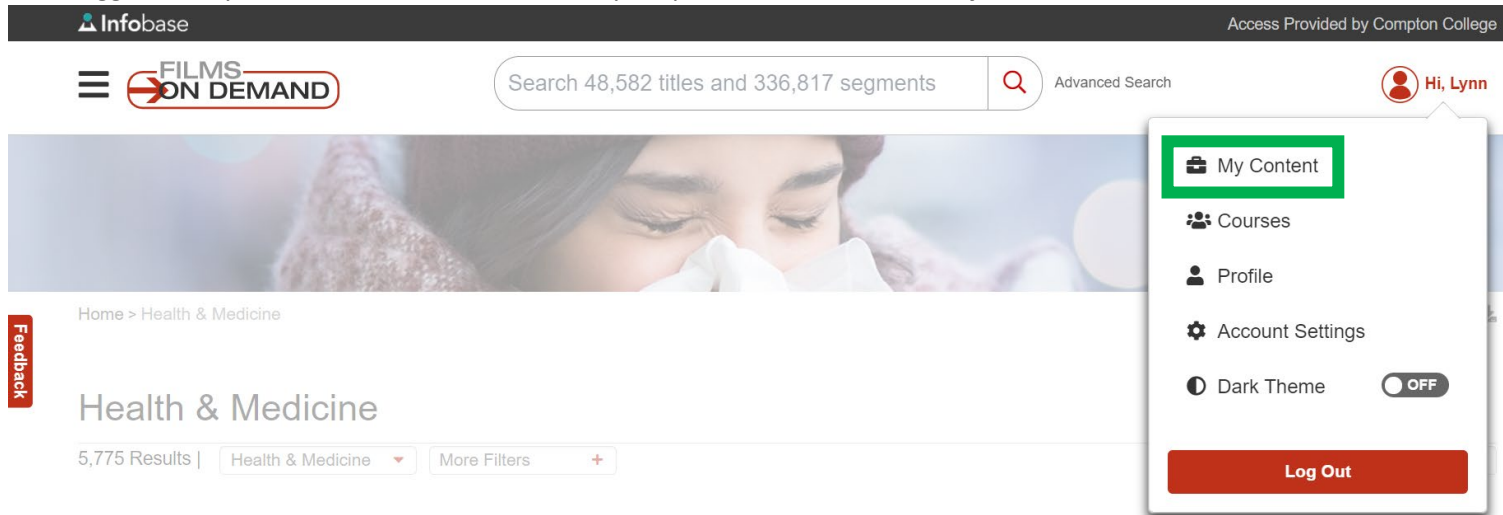

2. Select desired options from **Default Settings** (language, citation type, embed code size, video playback), **Caption Settings** (font size, font style, font color, background color, always start videos with captions enabled), and **Page Tools** (active and inactive display and order).
3. Click on **Save Changes** at bottom of page to process changes.

The screenshot shows the bottom of the page with a row of five icons: 'Share', 'Add to', 'Citation', 'Custom Segment', and 'Resources'. Below this is a section titled 'Inactive Page Tools' with a box that says 'Drag here to hide page tools'. At the bottom right, there are two buttons: 'Cancel' and 'Save Changes' (highlighted with a green box).
