Dear President Curry:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 10-12, 2018, reviewed the **Quality Focus Essay Report** submitted by Compton College. The purpose of this review was to determine whether the College has appropriately responded to the issues as identified by the peer review team at the time of the last visit and as expressed in the Commission's Action Letter of June 7, 2017, and whether the College has demonstrated compliance with the related Standards.

Upon consideration of the information noted above, the Commission acted to accept the report. The next report from the College will be the Midterm Report¹ due on March 15, 2021. The institution's next comprehensive review will occur in the spring term of 2024.

The Commission requires the College to disseminate the **Quality Focus Essay Report** and this letter within the institution, including by posting them on the College's website.

On behalf of the Commission, I wish to express appreciation for the diligent work and thoughtful reflection that Compton College undertook to respond to these requirements. These efforts confirm that peer review can well serve the multiple constituencies of higher education by both ensuring and encouraging institutional quality and effectiveness.

If you have any questions about this letter or the Commission's action, please feel free to contact me or the vice president that has been assigned as liaison to your institution.

Sincerely,

Richard Winn, Ed.D.
President
